REQUEST FOR PROPOSAL

Hiring of Consultancy Services for Design & Construction Supervision of New ATC Tower and Fire Station at Jinnah International Airport, Karachi

Pakistan Civil Aviation Authority intends to hire the services of a reputed Local Consultancy Firm in Joint Venture (JV) with an International Firm, possessing prior experience and expertise in Planning, Designing & Managing Airports & Aviation Projects for Design & Construction Supervision of a new state-of-the-art Air Traffic Control Tower and Fire Station at JIAP, Karachi.

The scope includes Feasibility Studies & Surveys, Preparation of Design (meeting ICAO requirements), Preparation and Evaluation of Bid Documents and Construction Supervision during Project Execution.

Request for Proposal (RFP) is invited from reputable consultancy firm(s) / JVs possessing experience and expertise in planning, developing and managing airport air side infrastructure projects. Applicant firms should have adequate organizational structure and financial soundness, be registered with PEC and must be on Active Taxpayers List of FBR.

The RFP containing detailed scope, terms and conditions etc. shall be available at the under mentioned address at a cost of Rs. 1000 in the shape of a pay order in favour of Pakistan Civil Aviation Authority (PCAA). Method of selection shall be "Quality-cum-Cost" as specified in the RFP document.

The Proposals prepared in accordance with the instructions contained in the RFP documents must reach at the undermentioned address on or before 1100 hours on 28th September 2021. The Technical Proposals shall be opened on the same day at 1130 hours, whereas the Financial Proposals of Technically Qualified firms only shall be opened after finalization of technical evaluation.

This advertisement is also available on PCAA website at www.caapakistan.com.pk & PPRA website at www.ppra.org.pk
