Bidder Qualification Criteria Form

S#	Condition	Requirement/ Document to be attached	Enclosed ? Yes/ No	Proposal Page Ref.
1	Authorization of Tender	All pages are duly signed & stamped by authorized personnel of bidder		
2	Authorization to bid from Principal/Importer	Authorization letter from the Importer/Representative of Principal along with complete address and contact number for verification.		
3	Bid Validity is 180 Days	Clearly mention in the Bid		
4	Bid Security	Bid Security as specified in Section 14 is attached		
5	Bidder must attach Title Page of Bidding Document containing serial number and original stamp/signature of issuing authority.	Bidder must attach Title Page of Bidding Document containing serial number and original stamp/ signature of issuing authority.		
6	Bidder's Eligibility			
I.	Income tax (NTN) Certificate	Valid Income Tax (NTN) Certificate with FBR Active Tax Payer Status printout		
II.	Sales Tax Registration Certificate	Valid Tax Registration Certificate with FBR Active Tax Payer Status printout		
III.	For Lot-1,3,4,5 : Bidder should have experience of deploying Network Nodes project in Banking/Public Sector Organization For Lot-2: Bidder should have executed/support contract of 30 or more locations for Earthing.	Purchase Orders/ Project Completion Report / Acceptance Certificate, or any other document from Previous Client (along with their contact numbers)		
IV.	Previous Import Document of the quoted Brand (by any firm/bidder/importer) as per clause 6.16 of the bid document.	Import Documents under Category 'A' of FBR letter No. Misc/31/2013-VII/1818 Dated: 15-Sep-2017 having value not less than the cost of the submitted bid of the applied lot. NOTE: New Letter NO. Misc/31/2013/VII/243 Dated: 25-Mar-2021 sholud refer in place of previous letter issued on dated: 15-Sep-2017.		
7	Affidavit for not being blacklisted	Affidavit that the vendor is not blacklisted by the Government or Semi Government Organization on non-judicial stamp paper.		
8	Bank statement of last year	Bank statement signed and stamped by relevant bank		
9	Vendor Information	Attach Name, Address, phone , fax, and email address		

By signing this Form, we hereby declare that all information provided above are correct by the best of our knowledge.

We accept all terms and conditions of bidding document and the Procurement Contract as specified in the bidding document and the advertisement.

Evaluation Criteria

6		Scope of Work
	6.1	ZTBL wants to deploy ‘Network Structured Cabling’ at designate branch of ZTBL, in order to provide each end user, a smooth network connectivity for inter branch and intra bank communication. The scope of this project is drafted estimates of 05 to 15 nodes including end user PCs, ATM machine and IP cameras at each branch, including the capacity for future expansion. ZTBL will designate the branches.
	6.2	Bidders are required to quote a complete turn-key LAN/ Electric Wiring solution including but not limited to Power DBs, Racks, Patch Panels, Cable Manager, Network Cable, Power Cable, Duct, Connectors, Power Sockets, Face Plates, IOs and Patch Cables etc as per design mentioned in Annex -K
	6.3	Bidders are required to quote any missing equipment/component/item to ensure standard based deployment on turnkey basis.
	6.4	Proper cabling thorough cable manager, cable tagging and cable tie will be responsibility of bidder for both power & network cables.
	6.5	Bidder is required to submit data sheet of quoted equipment in support of their quoted technical specifications.
	6.6	The bidder will be required to provide all miscellaneous items i.e. tagging tape, cable tie, rowel bolt etc. in services.
	6.7	Bidder will provide fluke test report conducted by DTX/DSX-5000 Celebrated (signed by ZTBL designate official) of the points and submit to ZTBL along with the payment invoices (for every branch).
	6.8	Bidders are required to install a power socket with Data cabinet and computer user at each branch/Location and drop an electric wire from UPS to socket as per design attached with the bid document.
	6.9	Deployment of Duct for network cable and power cable should be separate as per industry standards.
	6.10	Dismantling of old passive equipment and handed over to ZTBL concern where required, will also be responsibility of bidder.
	6.11	Items mentioned in section 8 of the bid document i-e Cable, Cat-6 UTP Jack(I/O), Wall Outlet/ Face-Plate, Patch Panel, Cable Manager & Patch Cord must be of same brand.
	6.12	Bidder will carried out the Earthing as per Annexure – M in the designated branch whichever approved by ZTBL (for lot -2 only).
	6.13	Bidder will install Main DB & Sub DB for power distribution along with Volt Meter, Earth Meter, Amp Meter, LEDs indicating Power Sources i-e WAPDA or Generator and LED for Earthing etc. <u>Labor cost for the installation of electricity related items should be embedded in the Electricity related item’s cost.</u>
	6.15	Bidder will provide the Network & Power Cabling Diagram to Concerned ZTBL official along with pasting the same on the Branch premises.
	6.14	The imported passive equipment should be registered in FBR as per letter No. Misc/31/2013-VII/1818 Dated: 15-Sep-2017 in Customs Value US\$/Kg Category “A” attached in Annex-H NOTE: The latest issued FBR Letter No. Misc/31/2013/VII/243 Dated: 25-Mar-2021 is refer in place of previously letter issued by FBR on dated: 15-Sep-2017.
	6.15	Bidder is required to build a glass room in each branch (where required) as per ANNEXURE-N
	6.16	Previous Import of the quoted Brand under category A as per clause 6.14 of the bid document should be not less than the amount of the submitted bid cost. Import document should be submitted with the technical proposal. <u>Clarification:</u> The quoted brand must be previously imported under category ‘A’ by any firm/bidder/ importer etc. However cumulative value of the import should not be less than the amount of the submitted bid cost of the applied lot.

8	Technical Specifications
8.1 Cable: Category 6 U/UTP Cable (with cross-shaped separator) offers the possibility to deploy unshielded Category 6/Class E systems when installed with Cat-6 RJ45 Jacks. <ul style="list-style-type: none"> • Conductor Diameter: AWG 23 (Ø 0.57 +/- 0.010mm) • Insulation Diameter: PE Ø 0.95 +/- 0.05 mm • Cable assemblies: 4 pairs • Sheath material: PVC Standards

8.2 Cat-6 UTP Jack(I/O) : Category 6/Class E system, fully compliant with Category 6 ISO/IEC, EN and TIA standards for hardware performance, confirmed by independent laboratory certifications (Delta, GHMT or equivalent). The jacks have the following features: <ul style="list-style-type: none">• Category 6 UTP• Tool/tool less assembly• Keystone fixing• Capable of being wired to both 568B and 568A• Integral shutter/shuttered jack <table><tr><td>Applications</td><td>Standards</td></tr><tr><td>- IEEE 802.3 1GBASE-T</td><td>- ISO/ IEC 11801 Edition 2, Am 1-2</td></tr><tr><td>- PoE – IEEE 802.3at</td><td>- ISO/ IEC 60603-7-5</td></tr><tr><td></td><td>- EN 50173-1</td></tr><tr><td></td><td>- ANSI/ TIA/ EIA-568-C.2-2009</td></tr><tr><td></td><td>- IEC 60512-99-001</td></tr></table> Technical characteristics Conforms to Category 6 hardware performance parameters of ISO/IEC 11801, EN 50173 and TIA 568 8.3 Wall Outlet/Face Plate : 86 x 86 faceplate range can be loaded with Cat-6 UTP I/O to provide the following configurations: <ul style="list-style-type: none">• Single gang, 1 port• Single gang, 2 ports Specifications <table><tr><td>Faceplates – size (h x w x d)</td><td>Single gang – 86 x 86 x 10mm</td></tr><tr><td>Material</td><td>V0 – ABS</td></tr></table> 8.4 Patch Panel: 1U 19” panels must be available to take a minimum of 24 copper. Other connection densities must be available. The panels must be designed for keystone fitting of the fully shuttered jacks/sockets. For efficiency of the termination and performance tool/tool less terminate able keystone jacks must be used. The copper panel panels must have cable management and tie down points (where required) for copper cable. Panels must have the facility to label each fully shuttered socket/jack. 8.5 Cable Manager / Cable Organizer: 1U 19” Cable Manager Should be capable of managing patch cords on any 19” Rack. 8.6 Patch Cords / Drop Cords: Patch cables must be available in either LSOH or PVC jackets with 24 AWG or better. RJ-45 copper patch cords shall be Category 6. The copper patch cords must be made from stranded wires for full flexibility. The copper patch cords should never be hand punched; they should be of factory fitted RJ-45 connectors. The patch cords must be available in a range of lengths to facility easy patch cord management. 8.7 System Tests: All permanent links shall be tested. Acceptance is in accordance with standard ISO11801: The horizontal copper cabling system must be tested in accordance with the procedure described below. Tests shall be performed using a level II field tester as defined in ISO/IEC 11801 – an automatic tester or scanner. The following parameters of the link shall be verified: Headroom report (The worst-case margin for a parameter determined by the selected standard (this may be NEXT, ACR, PSNEXT, or another measurement.) <ul style="list-style-type: none">• Wire map• Resistance• Link length• Insertion loss			Applications	Standards	- IEEE 802.3 1GBASE-T	- ISO/ IEC 11801 Edition 2, Am 1-2	- PoE – IEEE 802.3at	- ISO/ IEC 60603-7-5		- EN 50173-1		- ANSI/ TIA/ EIA-568-C.2-2009		- IEC 60512-99-001	Faceplates – size (h x w x d)	Single gang – 86 x 86 x 10mm	Material	V0 – ABS

- Return loss
- Near end crosstalk (NEXT)
- Power sum near end crosstalk (PSNEXT)
- Equal level far end crosstalk (ELFEXT)
- Power sum equal level far end crosstalk (PSELFEXT)
- Attenuation to crosstalk ratio (ACR)
- Power sum attenuation to crosstalk ratio (PS ACR)
- Delay Skew
- Impedance
- DC loop resistance

The following shall also be confirmed

- Continuity
- The link length does not exceed the authorized maximum value,
- Radius of curvature of the cables conforms to values in the design guide
- Cable preparation and the assembly of the jacks is to the manufacturer's instructions
- Cable ties and confinement are tight enough without squeezing the cable
- The insulation of the copper wires is continuous
- The earthing and bonding of all metallic pathway systems is undertaken according to the installation specification.
- The metal racking, distribution panels and patch panels are bonded at both ends
- The metal continuity of the farms of the same distributor is carried out.

All cables and cords, distribution frames and outlet locations must be labeled according to industry standards. Labels should be computer generated or typewritten.

PROCUREMENT CONTRACT

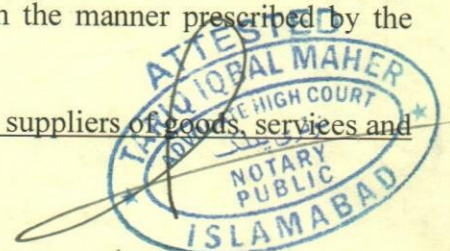

15th March, 2022 *by Aamin.*

THIS CONTRACT is made on this 16th day of February, 2022 between Zarai Taraqati Bank Limited through Mr. Aamir Zaffar Chaudry, Group Head (hereinafter "the Purchaser"), of the one part, and Mr. [Hassan Jafri] of M/s Supernet Limited Registered Office at 75 East Blue Area Fazal ul Haq Road, Islamabad (hereinafter "the Supplier"), of the other part:

WHEREAS the Purchaser invited bids for certain Goods and Related Services, viz., TENDER NO. ZTBL-11-2021 having title "Installation of Network Structured Cabling at all Branches of ZTBL" published on [20.06.2021] and has accepted a Bid by the Supplier for the supply of Goods and Related Services required under Scope of Work and Technical Specifications/BOQ clauses, i.e. [DETAIL OF GOODS AND QUANTITY] on the rates offered by the supplier in their financial proposal submitted in response to tender No. ZTBL-11-2021 (hereinafter "the Contract Price"),

Now these presents witness and the parties here to agree to the terms & conditions as follow:-

1. In this Contract words and expressions shall have the same meanings as are respectively assigned to them in the Contract and bidding document of tender No. ZTBL-11-2021 referred to.
2. The following documents shall be deemed to form and be read and construed as part of this Contract, viz.:
 - a. the Letter of Intent to the Supplier for Award of Contract;
 - b. the Acceptance Letter submitted by the Supplier
 - b. the Bid Submission Sheet, the Price Schedules submitted by the Supplier.
 - c. the Technical Specification submitted by the Supplier in their bid
 - d. the communication by the supplier through email or letter wherein the supplier has agreed to any purchaser's demand or condition which was not mentioned or partially mentioned in the supplier's bid
 - e. the Bidding Document of Tender No. [ZTBL-11-2021]
3. In the event of any discrepancy or inconsistency or lack of clarity within the Contract documents, then the Bid Document shall prevail over all document followed by bid response
4. In consideration of the payments to be made by the Purchaser to the Supplier as indicated in this Contract, the Supplier hereby covenants with the Purchaser to provide the Goods and Related Services and to remedy defects therein in conformity in all respects with the provisions of the Contract.
5. The Purchaser hereby covenants to pay the Supplier in consideration of the provision of the Goods and Related Services and the remedying of defects therein, the Contract Price or such other sum as may become payable under the provisions of the Contract at the times and in the manner prescribed by the Contract.
6. Declaration of fees, commissions and brokerage etc., payable by the suppliers of goods, services and works.

Supplier hereby declares that it has not been obtained or included the procurement of any contract, right, interest, privilege of other obligation or benefit from Government of Pakistan or any administrative subdivision or agency thereof or any other entity owned or controlled by ZTBL through any corrupt business practice.

Without limiting the generality of the foregoing Supplier represents and warrants that it has fully declared the brokerage, commission, fees etc. paid or payable to anyone and not given or agreed to give and shall not give or agree to give anyone within or outside Pakistan either directly or indirectly through any natural or juridical person, including its affiliate, agent, associate, broker, consultant, director, promoter, shareholder, sponsor or subsidiary, any commission, gratification, bribe, finder's fee or kickback, whether described as consultation fee or otherwise, with the object of obtaining or including the Procurement of a contract, right, interest, privilege or other obligation or benefit in what so ever form from ZTBL., except that which has been expressly declared pursuant here to.

Supplier certifies that it has made and will make full disclosure of all Contracts and arrangements with all persons in respect of or related to the transaction with ZTBL and has not taken any action or will not take any action to circumvent the above declaration, representation or warranty.

Supplier accepts full responsibility and strict liability for making any false declaration, not making full disclosure, misrepresenting facts or taking any action likely to defeat the purpose of this declaration, representation and warranty. It agrees that any contract, right, interest privilege or other obligation or benefits obtained or procured as aforesaid shall, without prejudice to any other right and remedies available to ZTBL under the law, contract or other instrument, be void able at the option of ZTBL.

Notwithstanding any rights and remedies exercised by ZTBL in this regard, Supplier agrees to indemnify ZTBL for any loss or damage incurred by it on account of its corrupt business practices and further pay compensation to ZTBL in an amount equivalent to ten times the sum of any commission, gratification, bribe, finder's fee or kickback given by the Supplier as aforesaid for the purpose of obtaining or inducing the procurement of any contract, right, interest, privilege or other obligation or benefit in whatsoever form from ZTBL.

7. Force Majeure:

In the event that the Supplier or the Purchaser is delayed in performing any of their respective obligations under the contract, and such delay is caused by Force epidemics, earthquakes, quarantine restrictions and freight embargoes, such delay may be excused, and the period of such delay may be added to the time of performance of the obligation delayed. The Service Provider shall promptly notify the bank in writing of such conditions and the cause thereof.

8. Disputes Resolution:

All disputes, controversies or differences which may arise between the Supplier and the Purchaser out of or in relation to or in connection with this Contract, shall be settled amicably. If it is not possible to settle the matter amicably, the dispute, controversies or differences shall be finally settled by arbitration in accordance with the provisions of Arbitration Act, 1940 with the consent of both parties.

9. Contravention and Termination of Contract:

9.1. In case any party contravenes any of the provision of this Contract or is not duly fulfilling its obligations, it shall serve a written notice on the other party for rectification of contravention or fulfillment of obligation, as the case may be, and it shall be mandatory obligation of the other party to rectify the contravention or fulfill the obligation within 30 days of notice.

9.2. In case the party, which contravenes any of provisions of this Contract or is not fulfilling its obligation under this Contract does not rectify the contravention or fulfill its obligation within 30 days of date of receipt of the notice, the other party shall serve another second notice, impressing upon the defaulting party that, in case rectification of contravention is not made good or obligation is not fulfilled, the Contract shall stand terminated after 60 days of the date of issue of second notice.

9.3. Contract may be terminated with mutual consent and based on some solid grounds reason at any time by a written notice of termination delivered not less than 30 days prior to the termination date. In case of unjustified / unnecessary termination, the matter shall be resolved through arbitration.

9.4. On termination of Contract the Supplier shall deliver to Purchaser all completed or partially completed plans, studies, reports and information till the date of termination within 30 days.

10. Payment Terms

10.1 Payment shall be made to the supplier against submission of delivery documents i.e. Delivery Challan, Bill of Entry and Sales Tax Invoice.

10.2 Purchaser shall release the payment in shape of Pay Order within 30 days of receipt delivery documents subject to satisfactory performance report submitted by the designated ZTBL staff.

10.3 Payment shall be made in following manner:

10.3.1 Payments will be made **100%** against purchase order issued upon completion of work of certification/validation of Job by ZTBL nominate resource.

10.3.2 Supplier can raise invoice against purchase order upon completion of work.

IN WITNESS where of the parties here to have caused this Contract to be executed by putting their respective signatures in presence of witnesses in accordance with the laws of Government of Pakistan on the day, month and year indicated above

Subject: Observation on Published Tender No. ZTBL-11-2021

Dear Sir,

This is with the reference to your Letter dated: 25-Jun-2021 received at ZTBL Grievances Redressal Committee (GRC) on 13-Jul-2021.

In this regard, GRC finalized its report on 28-Jul-2021 on the subjected tender and decision thereof is given as below: -

GRC concluded that the vendor M/s Netcom is open to quote any brand under Category-A as per FBR letter, previously imported within country by any vendor having value not less than quoted price whether singly or cumulatively. GRC also found that the referred FBR letter has been revised in March-2021 to include vast variety of brands which increases the market opportunity for the vendors.

Yours sincerely,

asif bilal
