<b>11. Documents Establishing the Eligibility of the Services and Conformity to RFP Documents</b>	<p>11.1 To establish the conformity of the Non-Consulting Services to the RFP document, the Cloud Service Provider shall furnish as part of its Proposal the documentary evidence that Services provided conform to the technical specifications and standards.</p> <p>11.2 Standards for the provision of the Non-Consulting Services are intended to be descriptive only and not restrictive. The Cloud Service Provider may offer other standards of quality provided that it demonstrates, to the procuring agency's satisfaction, that the substitutions ensure substantial equivalence or are superior to those specified the Section VII, Procuring Agency's Requirements.</p> <p>11.3 The required documents and other accompanying documents must be in English. In case any other language than English is used the pertinent translation into English shall be attached to the original version.</p>
<b>12. Documents Establishing the Eligibility and Qualification of the Cloud Service Provider</b>	<p>12.1 Pursuant to <b>ITCSP 10</b>, the Cloud Service Provider shall furnish, as part of its Proposal, all those documents establishing the Cloud Service Provider's eligibility to participate in the Bidding process and/or its qualification to perform the contract if its Proposal is accepted.</p> <p>12.2 The documentary evidence of the Cloud Service Provider's eligibility to Proposal shall establish to the satisfaction of the <b>ProcuringAgency</b> that the Cloud Service Provider, at the time of submission of its Proposal, is from an eligible country as defined in Section-4 titled as "Eligible Countries".</p> <p>12.3 The documentary evidence of the Cloud Service Provider's qualifications to perform the contract if its Proposal is accepted shall establish to the satisfaction of <b>Procuring Agency</b> that:</p> <ul style="list-style-type: none"><li>a. the Cloud Service Provider has the financial, technical, and supply/production capability necessary to perform the Contract, meets the qualification criteria specified in <b>PDS</b>.</li><li>b. in the case of a Cloud Service Provider not doing business within Pakistan, the Cloud Service Provider is or will be (if awarded the contract) represented by an Agent in Pakistan equipped, and able to carry out the Cloud Service Provider's maintenance, repair, and spare parts-stocking obligations prescribed in the Conditions of Contract and/or Technical Specifications</li><li>c. that the Cloud Service Provider meets the qualification criteria listed in the Proposal Data Sheet.</li></ul>
<b>13. Form of Proposal</b>	<p>13.1 The Cloud Service Provider shall fill the Form of Proposal furnished in the RFP Documents. The Proposal Form must be completed without any alterations to its format and no substitute shall be accepted.</p>

<b>14. Proposal Prices</b>	<p>14.1 The Proposal Prices and discounts quoted by the Cloud Service Provider in the Form of Proposal and in the Price Schedules shall conform to the requirements specified below in <b>ITCSP Clause 14</b> or exclusively mentioned hereafter in the RFP Documents.</p> <p>14.2 All items in the Schedule of requirement must be listed and priced separately in the Price Schedule(s). If a Price Schedule shows items listed but not priced, their prices shall be construed to be included in the prices of other items.</p> <p>14.3 Items not listed in the Price Schedule shall be assumed not to be included in the Proposal, and provided that the Proposal is still substantially responsive in their absence or due to their nominal nature, the corresponding average price of the respective item(s) of the remaining substantially responsive Cloud Service Provider(s) shall be construed to be the price of those missing item(s):</p> <p>Provided that:</p> <ul style="list-style-type: none"><li>a) where there is only one (substantially) responsive Cloud Service Provider, or</li><li>b) where there is provision for alternate proposals and the respective items are not listed in the other Proposals,</li></ul> <p>The procuring agency may fix the price of missing items in accordance with market survey, and the same shall be considered as final price.</p> <p>14.4 The Proposal price to be quoted in the Form of Proposal in accordance with <b>ITCSP 13.1</b> shall be the total price of the Proposal, excluding any discounts offered.</p> <p>14.5 The Cloud Service Provider shall indicate on the appropriate Price Schedule, the unit prices (where applicable) and total Proposal price of the services it proposes to provide under the contract.</p> <p>14.6 Prices quoted by the Cloud Service Provider shall be fixed during the Cloud Service Provider's performance of the contract and not subject to variation on any account. A Proposal submitted with an adjustable price will be treated as non-responsive and shall be rejected, pursuant to <b>ITCSP 28</b>. The Cloud Service Provider shall quote the prices in accordance with the pricing model such as pay-as-you-go or any other model specified by the procuring agency.</p> <p>14.7 If so indicated in the Invitation to Proposals and Instructions to Cloud Service Providers, that Proposals are being invited for individual contracts (Lots) or for any combination of contracts (packages), Cloud Service Providers wishing to offer any price reduction for the award of more than one contract shall specify in their Proposal the price reductions applicable to each package, or alternatively, to individual contracts (Lots) within a package.</p>
<b>15. Proposal Currencies</b>	<p>15.1 Prices shall be quoted in Pakistani Rupees unless otherwise specified in the <b>PDS</b>.</p> <p>15.2 For the purposes of comparison of Proposals quoted in different currencies, the price shall be converted into a single currency specified in the RFP Documents. The rate of exchange shall be the selling rate, prevailing on the date of opening of (financial part of) Proposals specified in the RFP Documents, as notified by the Supreme Court of Pakistan on that day.</p> <p>15.3 Cloud Service Providers shall indicate details of their expected foreign currency requirements in the Proposal.</p>

<b>16. Proposal Period</b>	<b>Validity</b>  16.1 Proposals shall remain valid for the period specified in the PDS after the Proposal submission deadline prescribed by the Procuring Agency. A Proposal valid for a shorter period shall be rejected by the Procuring Agency as non-responsive. The period of Proposal validity will be determined from the complementary Proposal securing instrument i.e., the expiry period of Proposal security or Proposal securing declaration as the case may be.  16.2 Under exceptional circumstances, prior to the expiration of the initial Proposal validity period, the Procuring Agency may request the Cloud Service Providers' consent to an extension of the period of validity of their Proposals only once, for the period not more than the period of initial Proposal validity. The request and the Cloud Service Providers responses shall be made in writing or in electronic forms that provide record of the content of communication. The Proposal Security provided under <b>ITCSP 17</b> shall also be suitably extended. A Cloud Service Provider may refuse the request without forfeiting its Proposal security or causing to be executed its Proposal Securing Declaration. A Cloud Service Provider agreeing to the request will not be required nor permitted to modify its Proposal, but will be required to extend the validity of its Proposal Security or Proposal Securing Declaration for the period of the extension, and in compliance with <b>ITCSP 17</b> in all respects.  16.3 If the award is delayed by a period exceeding sixty (60) days beyond the expiry of the initial Proposal validity period, the contract price may be adjusted by a factor specified in the request for extension. However, the Proposal evaluation shall be based on the already quoted Proposal Price without taking into consideration on the above correction.
<b>17. Proposal Security or Proposal Securing Declaration</b>	17.1 Pursuant to <b>ITCSP 10</b> , unless otherwise specified in the <b>PDS</b> , the Cloud Service Provider shall furnish as part of its Proposal, a Proposal Security in form of fixed amount not exceeding five percent of the estimated value of procurement determined by the procuring agency and in the amount and currency specified in the <b>PDS</b> or Proposal Securing Declaration as specified in the <b>PDS</b> in the format provided in <b>Section VI (Standard Forms)</b> .  17.2 The Proposal Security or Proposal Securing Declaration is required to protect the Procuring Agency against the risk of Cloud Service Provider's conduct which would warrant the security's forfeiture, pursuant to <b>ITCSP 17.9</b> .  17.3 The Proposal Security shall be denominated in the local currency or in another freely convertible currency, and it shall be in the form specified in the <b>PDS</b> which shall be a Bank Draft in the name of the Procuring Agency and valid for <b>thirty (30) days</b> beyond the end of the validity of the Proposal. This shall also apply if the period for Proposal Validity is extended. In either case, the form must include the complete name of the Cloud Service Provider.  17.4 The Proposal Security or Proposal Securing Declaration shall be in accordance with the Form of the Proposal Security or Proposal Securing Declaration included in <b>Section VI (Standard Forms)</b> or another form approved by the Procuring Agency prior to the Proposal submission.  17.5 The Proposal Security shall be payable promptly upon written demand by the Procuring Agency in case any of the conditions listed in <b>ITCSP 17.9</b> are invoked.  17.6 Any Proposal not accompanied by a Proposal Security or Proposal Securing Declaration in accordance with <b>ITCSP 17.1 or 17.3</b> shall be rejected by the Procuring Agency as non-responsive, pursuant to <b>ITCSP 28</b> .

	<p>i) Unsuccessful Cloud Service Providers' Proposal Security will be discharged or returned as promptly as possible, however in no case later than thirty (30) days after the expiration of the period of Proposal Validity prescribed by the Procuring Agency pursuant to <b>ITCSP 16</b>. The Procuring Agency shall make no claim to the amount of the Proposal Security, and shall promptly return the Proposal Security document, after whichever of the following that occurs earliest:</p> <ul style="list-style-type: none"><li>• the expiry of the Proposal Security;</li><li>• the entry into force of a procurement contract and the provision of a performance security (or guarantee), for the performance of the contract if such a security (or guarantee), is required by the RFP documents;</li><li>• the rejection by the Procuring Agency of all Proposals;</li><li>• the withdrawal of the Proposal prior to the deadline for the submission of Proposals, unless the RFP documents stipulate that no such withdrawal is permitted.</li></ul> <p>ii) The successful Cloud Service Provider's Proposal Security will be discharged upon the Cloud Service Provider signing the contract pursuant to <b>ITCSP 41</b>, or furnishing the performance guarantee not exceeding 10% of the contract, pursuant to <b>ITCSP 42</b>.</p> <p>iii) The Proposal Security may be forfeited or the Proposal Securing Declaration executed:</p> <p>b) if a Cloud Service Provider:</p> <p>i) withdraws its Proposal during the period of Proposal Validity as specified by the Procuring Agency, and referred by the Cloud Service Provider on the Form of Proposal except as provided for in <b>ITCSP 16.2</b>; or</p> <p>ii) does not accept the correction of errors pursuant to <b>ITCSP 30.2</b>; or</p> <p>c) in the case of a successful Cloud Service Provider, if the Cloud Service Provider fails:</p> <p>i) to sign the contract in accordance with <b>ITCSP 41</b>; or</p> <p>ii) to furnish performance security (or guarantee) in accordance with <b>ITCSP 42</b>.</p> <p>iii) 17.10 The proposal security shall be valid for a period specified in <b>PDS</b>. Proposals with shorter proposal security validity period shall be rejected straight way.</p>
<b>18. Alternative Proposals by Cloud Service Providers</b>	<p>18.1 Cloud Service Providers shall submit offers that comply with the requirements of the RFP Documents, including the basic Cloud Service Provider's technical design as indicated in the specifications and Schedule of Requirements. Alternatives will not be considered, unless specifically allowed for in the <b>PDS</b>. If so allowed, <b>ITCSP 19.2</b> shall prevail.</p>
<b>19. Withdrawal, Substitution, and Modification of Proposals</b>	<p>19.1 Before Proposal submission deadline, any Cloud Service Provider may withdraw, substitute, or modify its Proposal after it has been submitted by sending a written notice, duly signed by an authorized representative, and the corresponding substitution or modification must accompany the respective written notice.</p> <p>19.2 Proposals requested to be withdrawn in accordance with <b>ITCSP 19.1</b> shall be returned unopened to the Cloud Service Providers.</p>

<p><b>20. Format and Signing of Proposal</b></p>	<p>20.1 The Cloud Service Provider shall prepare an original and the number of copies of the Proposal as indicated in the <b>PDS</b>, clearly marking each “ORIGINAL” and “COPY,” as appropriate. In the event of any discrepancy between them, the original shall prevail.</p> <p>20.2 The original and the copy or copies of the Proposal shall be typed or written in indelible ink and shall be signed by the Cloud Service Provider or a person or persons duly authorized to sign on behalf of the Cloud Service Provider. <p><b>22. Deadline for Submission of Proposals</b></p>	<p>22.1 Proposals shall be received by the Procuring Agency no later than the date and time specified in the <b>PDS</b>.</p> <p>22.2 The Procuring Agency may, in exceptional circumstances and at its discretion, extend the deadline for the submission of Proposals by amending the RFP Documents in accordance with <b>ITCSP 8</b>, in which case all rights and obligations of the Procuring Agency and Cloud Service Providers previously subject to the deadline will thereafter be subject to the new deadline.</p>
<p><b>23. Late Proposals</b></p>	<p>23.1 The Procuring Agency shall not consider for evaluation any Proposal that arrives after the deadline for submission of Proposals, in accordance with <b>ITCSP 22</b>.</p> <p>23.2 Any Proposal received by the Procuring Agency after the deadline for submission of Proposals shall be declared late, recorded, rejected and returned unopened to the Cloud Service Provider.</p>

<b>24. Withdrawal of Proposals</b>	<p>24.1 A Cloud Service Provider may withdraw its Proposal after it has been submitted, provided that written notice of the withdrawal of the Proposal, is received by the Procuring Agency prior to the deadline for submission of Proposals.</p> <p>24.2 Revised Proposal may be submitted after the withdrawal of the original Proposal in accordance with the provisions referred in <b>ITCSP 21</b>.</p>
------------------------------------	---

<b>E. Opening and Evaluation of Proposals</b>	
<b>25. Opening of Proposals</b>	<p>25.1 The Procuring Agency will open all Proposals, in public, in the presence of Cloud Service Providers’ or their representatives who choose to attend, and other parties with a legitimate interest in the Proposal proceedings at the place, on the date and at the time, specified in the <b>PDS</b>. The Cloud Service Providers’ representatives present shall sign a register as proof of their attendance.</p> <p>25.2 First, envelopes marked “WITHDRAWAL” shall be opened and read out and the envelope with the corresponding Proposal shall not be opened, but returned to the Cloud Service Provider. No Proposal withdrawal shall be permitted unless the corresponding Withdrawal Notice contains a valid authorization to request the withdrawal and is read out at Proposal opening.</p> <p>25.3 Second, outer envelopes marked “SUBSTITUTION” shall be opened. The inner envelopes containing the Substitution Proposal shall be exchanged for the corresponding Original Proposal being substituted, which is to be returned to the Cloud Service Provider unopened. No envelope shall be substituted unless the corresponding Substitution Notice contains a valid authorization to request the substitution and is read out and recorded at Proposal opening.</p> <p>25.4 Next, outer envelopes marked “MODIFICATION” shall be opened. No Technical Proposal and/or Financial Proposal shall be modified unless the corresponding Modification Notice contains a valid authorization to request the modification and is read out and recorded at the opening of the Proposals. Any Modification shall be read out along with the Original Proposal except in case of Single Stage Two Envelope Procedure where only the Technical Proposal, both Original as well as Modification, are to be opened, read out, and recorded at the opening. Financial Proposal, both Original and Modification, will remain unopened till the prescribed financial Proposal opening date.</p> <p>25.5 Other envelopes holding the Proposals shall be opened one at a time, in case of Single Stage One Envelope Procedure, the Cloud Service Providers names, the Proposal prices, the total amount of each Proposal and of any alternative Proposal (if alternatives have been requested or permitted), any discounts, the presence or absence of Proposal Security, Proposal Securing Declaration and such other details as the Procuring Agency may consider appropriate, will be announced by the Procurement Evaluation Committee.</p> <p>25.6 The Procuring Agency will open the Technical Proposals in public at the address, date and time specified in the <b>PDS</b> in the presence of Cloud Service Providers’ designated representatives who choose to attend and other parties with a legitimate interest in the Proposal proceedings. The Financial Proposals will remain unopened and will be held in custody of the Procuring Agency untilthe specified time of their opening.</p> <p>25.7 The envelopes holding the Technical Proposals shall be opened one at a time, and the following read out and recorded: (a) the name of the Cloud Service Provider; (b) whether there is a modification or substitution; (c) the presence of a Proposal Security, if required;</p>

	<p>and (d) Any other details as the Procuring Agency may consider appropriate.</p> <p>25.8 Proposals not opened and not read out at the Proposal opening shall not be considered further for evaluation, irrespective of the circumstances. In particular, any discount offered by a Cloud Service Provider which is not read out at Proposal opening shall not be considered further.</p> <p>25.9 Cloud Service Providers are advised to send in a representative with the knowledge of the content of the Proposal who shall verify the information read out from the submitted documents. Failure to send a representative or to point out any un-read information by the sent Cloud Service Provider's representative shall indemnify the Procuring Agency against any claim or failure to read out the correct information contained in the Cloud Service Provider's Proposal.</p> <p>25.10 No Proposal will be rejected at the time of Proposal opening except for late Proposals which will be returned unopened to the Cloud Service Provider, pursuant to <b>ITCSP 23</b>.</p> <p>25.11 The Procuring Agency shall prepare minutes of the Proposal opening. The record of the Proposal opening shall include, as a minimum: the name of the Cloud Service Provider and whether or not there is a withdrawal, substitution or modification, the Proposal price if applicable, including any discounts and alternative offers and the presence or absence of a Proposal Security or Proposal Securing Declaration.</p> <p>25.12 The Cloud Service Providers' representatives who are present shall be requested to sign on the attendance sheet. The omission of a Cloud Service Provider's signature on the record shall not invalidate the contents and affect the record. A copy of the record shall be distributed to all the Cloud Service Providers.</p> <p>25.13 A copy of the minutes of the Proposal opening shall be furnished to individual Cloud Service Providers upon request.</p> <p>25.14 After the evaluation and approval of technical proposal the procuring agency, shall at a time within the Proposal validity period, publically open the financial proposals of the technically accepted Proposals only. The financial proposal of Proposals found technically non-responsive shall be returned un-opened to the respective Cloud Service Providers subject to redress of the grievances from all tiers of grievances.</p>
<b>26. Confidentiality</b>	<p>26.1 Information relating to the examination, clarification, evaluation and comparison of Proposals and recommendation of contract award shall not be disclosed to Cloud Service Providers or any other persons not officially concerned with such process until the time of the announcement of the respective evaluation report.</p> <p>26.2 Any effort by a Cloud Service Provider to influence the Procuring Agency processing of Proposals or award decisions may result in the rejection of its Proposal.</p> <p>26.3 Notwithstanding <b>ITCSP 27.2</b> from the time of Proposal opening to the time of contract award, if any Cloud Service Provider wishes to</p>
	<p>contact the Procuring Agency on any matter related to the Bidding process, it should do so in writing or in electronic forms that provides record of the content of communication.</p>

<b>27. Clarification of Proposals</b>	<p>27.1 To assist in the examination, evaluation and comparison of Proposals of the Cloud Service Providers, the Procuring Agency may, ask any Cloud Service Provider for a clarification of its Proposal including breakdown of prices. Any clarification submitted by a Cloud Service Provider that is not in response to a request by the Procuring Agency shall not be considered.</p> <p>27.2 The request for clarification and the response shall be in writing or in electronic forms that provide record of the content of communication. No change in the prices or substance of the Proposal shall be sought, offered, or permitted.</p> <p>27.3 The alteration or modification in the PROPOSAL which in any affect the following parameters will be considered as a change in the substance of a Proposal:</p> <ul style="list-style-type: none"><li>a. evaluation &amp; qualification criteria;</li><li>b. required scope of work or specifications;</li><li>c. all securities requirements;</li><li>d. tax requirements;</li><li>e. terms and conditions of RFP Documents.</li><li>f. change in the ranking of the Cloud Service Provider</li></ul> <p>27.4 From the time of Proposal opening to the time of Contract award if any Cloud Service Provider wishes to contact the Procuring Agency on any matter related to the Proposal it should do so in writing or in electronic forms that provide record of the content of communication.</p>
<b>28. Preliminary Examination of Proposals</b>	<p>28.1 Prior to the detailed evaluation of Proposals, the Procuring Agency will determine whether each Proposal:</p> <ul style="list-style-type: none"><li>a. meets the eligibility criteria defined in <b>ITCSP 3</b> and <b>ITCSP 4</b>;</li><li>b. has been prepared as per the format and contents defined by the Procuring Agency in the RFP Documents;</li><li>c. has been properly signed;</li><li>d. is accompanied by the required securities; and</li><li>e. is substantially responsive to the requirements of the RFP Documents.</li></ul> <p>The Procuring Agency's determination of a Proposal's responsiveness will be based on the contents of the Proposal itself.</p> <p>28.2 A substantially responsive Proposal is one which conforms to all the terms, conditions, and specifications of the RFP Documents, without material deviation or reservation. A material deviation or reservation is one that: -</p> <ul style="list-style-type: none"><li>a. affects in any substantial way the scope, quality, or performance of the Services;</li></ul>

	<p>b. limits in any substantial way, inconsistent with the RFP Documents, the Procuring Agency's rights or the Cloud Service Providers obligations under the Contract; or</p> <p>c. if rectified, would affect unfairly the competitive position of other Cloud Service Providers presenting substantially responsive Proposals.</p> <p>28.3 The Procuring Agency will confirm that the documents and information specified under <b>ITCSP 10, 11</b> and <b>12</b> have been provided in the Proposal. If any of these documents or information is missing, or is not provided in accordance with the Instructions to Cloud Service Providers, the Proposal shall be rejected.</p> <p>28.4 If a Proposal is not substantially responsive, it will be rejected by the Procuring Agency and may not subsequently be evaluated for complete technical responsiveness.</p>
<b>29. Examination of Terms and Conditions; Technical Evaluation</b>	<p>29.1 The Procuring Agency shall examine the Proposal to confirm that all terms and conditions specified in the <b>GCC</b> and the <b>SCC</b> have been accepted by the Cloud Service Provider without any material deviation or reservation.</p> <p>29.2 The Procuring Agency shall evaluate the technical aspects of the Proposal submitted in accordance with <b>ITCSP 21</b>, to confirm that all requirements specified in <b>Section V – Schedule of Requirements, Technical Specifications</b> of the RFP Documents have been met without material deviation or reservation.</p> <p>29.3 If after the examination of the terms and conditions and the technical evaluation, the Procuring Agency determines that the Proposal is not substantially responsive in accordance with <b>ITCSP 28</b>, it shall reject the Proposal.</p>
<b>30. Correction of Errors</b>	<p>30.1 Proposals determined to be substantially responsive will be checked for any arithmetic errors. Errors will be corrected as follows: -</p> <p>a. if there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected, unless in the opinion of the Procuring Agency there is an obvious misplacement of the decimal point in the unit price, in which the total price as quoted shall govern and the unit price shall be corrected;</p> <p>b. if there is an error in a total corresponding to the addition or subtraction of sub-totals, the sub-totals shall prevail and the total shall be corrected; and</p> <p>c. where there is a discrepancy between the amounts in figures and in words, the amount in words will govern.</p> <p>d. Where there is discrepancy between grand total of price schedule and amount mentioned on the Form of Proposal, the amount referred in Price Schedule shall be treated as correct subject to elimination of other errors.</p>
	<p>30.2 The amount stated in the Proposal will, be adjusted by the Procuring Agency in accordance with the above procedure for the correction of errors and, with, the concurrence of the Cloud Service Provider, shall be considered as binding upon the Cloud Service Provider. If the Cloud Service Provider does not accept the corrected amount, its Proposal will then be rejected, and the Proposal Security may be forfeited or the Proposal Securing Declaration may be executed in accordance with <b>ITCSP 17.9</b>.</p>

<b>31. Conversion to Single Currency</b>	<p>31.1 To facilitate evaluation and comparison, the Procuring Agency will convert all Proposal prices expressed in the amounts in various currencies in which the Proposal prices are payable. For the purposes of comparison of Proposals quoted in different currencies, the price shall be converted into a single currency specified in the RFP Documents. The rate of exchange shall be the selling rate, prevailing on the date of opening of (financial part of) Proposals specified in the RFP Documents, as notified by the Supreme Court of Pakistan on that day.</p> <p>31.2 The currency selected for converting Proposal prices to a common base for the purpose of evaluation, along with the source and date of the exchange rate, are specified in the <b>PDS</b>.</p>
<b>32. Evaluation of Proposals</b>	<p>32.1 The Procuring Agency shall evaluate and compare only the Proposals determined to be substantially responsive, pursuant to <b>ITCSP 28</b>.</p> <p>32.2 In evaluating the Technical Proposal of each Proposal, the Procuring Agency shall use the criteria and methodologies listed in the PDS and in terms of Statement of Requirements and Technical Specifications. No other evaluation criteria or methodologies shall be permitted.</p>
<b>33. Domestic Preferences</b>	<p>33.1 Not Applicable in case of Services</p>
<b>34. Determination of Most Advantageous Proposal</b>	<p>34.1 In case where the Procuring Agency adopts the Cost Based Evaluation Technique and, the Proposal with the lowest evaluated price from amongst those which are eligible, compliant and substantially responsive shall be the Most Advantageous Proposal.</p> <p>34.2 The Procuring Agency may adopt the Quality &amp; Cost Based Selection Technique:  In such cases, the Procuring Agency may allocate certain weightage to these factors as a part of Evaluation Criteria, and may determine the ranking of the Cloud Service Providers on the basis of combined evaluation in accordance with provisions of Rule 2(1)(h) of PPR-2004.</p>
<b>35. Abnormally Low Financial Proposal</b>	<p>35.1 Where the Proposal price is considered to be abnormally low, the Procuring Agency shall perform price analysis either during determination of Most Advantageous Proposal or as a part of the post-qualification process. The following process shall apply:</p> <ul style="list-style-type: none"> <li>(a) The Procuring Agency may reject a Proposal if the Procuring Agency has determined that the price in combination with other constituent elements of the Proposal is abnormally low in relation to the subject matter of the procurement (i.e. scope of the procurement or ancillary services) and raises concerns as to the capability and capacity of the respective Cloud Service Provider to perform that contract</li> <li>(b) Before rejecting an abnormally low Proposal the Procuring Agency shall request the Cloud Service Provider an explanation of the Proposal or of those parts which it considers contribute to the Proposal being abnormally low; take account of the evidence provided in response to a request in writing; and subsequently verify the Proposal or parts of the Proposal being abnormally low;</li> <li>(c) The decision of the Procuring Agency to reject a Proposal and reasons for the decision shall be recorded in the procurement proceedings and promptly communicated to the Cloud Service Provider concerned;</li> <li>(d) The Procuring Agency shall not incur any liability solely by rejecting abnormally Proposal; and</li> <li>(e) An abnormally low Proposal means, in the light of the</li> </ul>

	<p>Procuring Agency's estimate and of all the Proposals submitted, the Proposal appears to be abnormally low by not providing a margin for normal levels of profit.</p> <p>In order to identify the Abnormally Low Proposal (ALB) following approaches can be considered to minimize the scope of subjectivity:</p> <ul style="list-style-type: none"><li>(i) Comparing the Proposal price with the cost estimate;</li><li>(ii) Comparing the Proposal price with the Proposals offered by other Cloud Service Providers submitting substantially responsive Proposals; and</li><li>(iii) Comparing the Proposal price with prices paid in similar contracts in the recent past either government- or development partner-funded.</li></ul> <p>35.2 The Procuring Agency will determine to its satisfaction whether the Cloud Service Provider that is selected as having submitted the most advantageous Proposal is qualified to perform the contract satisfactorily, in accordance with the criteria listed in <b>ITCSP 12.3</b>.</p>
	<p>35.3 The determination will take into account the Cloud Service Provider's financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the Cloud Service Provider's qualifications submitted by the Cloud Service Provider, pursuant to <b>ITCSP 12.3</b>, as well as such other information as the Procuring Agency deems necessary and appropriate. Factors not included in these RFP Documents shall not be used in the evaluation of the Cloud Service Providers' qualifications.</p> <p>35.4 Procuring Agency may seek "Certificate for Independent Price Determination" from the Cloud Service Provider and the results of reference checks may be used in determining award of contract.</p> <p>Explanation: The Certificate shall be furnished by the Cloud Service Provider. The Cloud Service Provider shall certify that the price is determined keeping in view of all the essential aspects such as raw material, its processing, value addition, optimization of resources due to economy of scale, transportation, insurance and margin of profit etc.</p> <p>35.5 An affirmative determination will be a prerequisite for award of the contract to the Cloud Service Provider. A negative determination will result in rejection of the Cloud Service Provider's Proposal, in which event the Procuring Agency will proceed to the next ranked Cloud Service Provider to make a similar determination of that Cloud Service Provider's capabilities to perform satisfactorily.</p>

<b><u>F. Award of Contract</u></b>	
<b>36. Criteria of Award</b>	<p>36.1 Subject to <b>ITCSP 37</b>, the Procuring Agency will award the Contract to the Cloud Service Provider whose Proposal has been determined to be substantially responsive to the RFP Documents and who has been declared as Most Advantageous Cloud Service Provider, provided that such Cloud Service Provider has been determined to be:</p> <ul style="list-style-type: none"> <li>a) eligible in accordance with the provisions of <b>ITCSP 3</b>;</li> <li>b) is determined to be qualified to perform the Contract satisfactorily; and</li> <li>c) Successful negotiations have been concluded, if any.</li> </ul>
<b>37. Negotiations</b>	<p>37.1 Negotiations may be undertaken with the Most Advantageous Proposal relating to the following areas:</p> <ul style="list-style-type: none"> <li>(a) a minor alteration to the technical details of the statement of requirements;</li> <li>(b) reduction of quantities for budgetary reasons, where the reduction is in excess of any provided for in the RFP documents;</li> <li>(c) a minor amendment to the special conditions of Contract;</li> <li>(d) finalizing payment arrangements;</li> <li>(e) delivery arrangements;</li> <li>(f) the methodology for provision of related services; or</li> <li>(g) clarifying details that were not apparent or could not be finalized at the time of Bidding;</li> </ul> <p>37.2 Where negotiation fails to result into an agreement, the Procuring Agency may invite the next ranked Cloud Service Provider for negotiations. Where negotiations are commenced with the next ranked Cloud Service Provider, the Procuring Agency shall not reopen earlier negotiations.</p>
<b>38. Procuring Agency's Right to reject All Proposals</b>	<p>38.1 Notwithstanding <b>ITCSP 36</b>, the Procuring Agency reserves the right to reject all the Proposals, and to annul the Bidding process at any time prior to Acceptance of a Proposal, without thereby incurring any liability to the affected Cloud Service Providers. However, the Authority (i.e. PPRA) may call from the Procuring Agency the justification of those grounds.</p>
	<p>38.2 Notice of the rejection of all Proposals shall be given promptly to all Cloud Service Providers that have submitted Proposals.</p> <p>38.3 The Procuring Agency shall upon request communicate to any Cloud Service Provider the grounds for its rejection of its Proposals, but is not required to justify those grounds</p>
<b>39. Procuring Agency's Right to Vary Quantities at the time of Award</b>	<p>39.1 The Procuring Agency reserves the right at the time of contract award to increase or decrease the quantity of goods or related services originally specified in these RFP Documents (schedule of requirements) provided this does not exceed by the percentage indicated in the <b>PDS</b>, without any change in unit price or other terms and conditions of the Proposal and RFP Documents.</p>

<p><b>40. Notification of Award</b></p>	<p>40.1 Prior to the award of contract, the Procuring Agency shall issue a Final Evaluation Report giving justification for acceptance or rejection of the Proposals.</p> <p>40.2 Where no complaints have been lodged, the Cloud Service Provider whose Proposal has been accepted will be notified of the award by the Procuring Agency prior to expiration of the Proposal Validity period in writing or electronic forms that provide record of the content of communication. The Letter of Acceptance will state the sum that the Procuring Agency will pay the successful Cloud Service Provider in consideration for the execution of the scope of works as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price).</p> <p>40.3 The notification of award will constitute the formation of the Contract, subject to the Cloud Service Provider furnishing the Performance Security (or guarantee) in accordance with <b>ITCSP 42</b> and signing of the contract in accordance with <b>ITCSP 41.2</b>.</p> <p>40.4 Upon the successful Cloud Service Provider's furnishing of the performance security (or guarantee) pursuant to <b>ITCSP 42</b>, the Procuring Agency will promptly notify each unsuccessful Cloud Service Provider, the name of the successful Cloud Service Provider and the Contract amount and will discharge the Proposal Security or Proposal Securing Declaration of the Cloud Service Providers pursuant to <b>ITCSP 17.7</b>.</p>
<p><b>41. Signing of Contract</b></p>	<p>41.1 Promptly after notification of award, Procuring Agency shall send the successful Cloud Service Provider the draft agreement, incorporating all terms and conditions as agreed by the parties to the contract.</p> <p>41.2 Immediately after the Redressal of grievance by the GRC, and <b>after fulfillment of all conditions precedent</b> of the Contract Form, the successful Cloud Service Provider and the Procuring Agency shall sign the contract.</p>
<p><b>42. Performance Security Guarantee) (or</b></p>	<p>42.1 After the receipt of the Letter of Acceptance, the successful Cloud Service Provider, within the specified time, shall deliver to the Procuring Agency a Performance Security (or Guarantee) in the amount and in the form stipulated in the <b>PDS and SCC</b>, denominated in the type and proportions of currencies in the Letter of Acceptance and in accordance with the Conditions of</p>
	<p>Contract.</p> <p>42.2 If the Performance Security (or Guarantee) is provided by the successful Cloud Service Provider and it shall be in the form specified in the <b>PDS</b>.</p> <p>42.3 Failure of the successful Cloud Service Provider to comply with the requirement of <b>ITCSP 42.1</b> shall constitute sufficient grounds for the annulment of the award and forfeiture of the Proposal Security, in which event the Procuring Agency may make the award to the next ranked Cloud Service Provider or call for new Proposals.</p>
<p><b>43. Advance Payment</b></p>	<p>43.1 No advance payment of any kind will be made.</p>
<p><b>44. Arbitrator</b></p>	<p>44.1 The Arbitrator shall be appointed by mutual consent of both parties as per the provisions specified in the SCC.</p>

<b>45. Corrupt and Fraudulent Practices</b>	45.1 Procuring Agencies (including beneficiaries of Government funded projects and procurement) as well as Cloud Service Providers/Suppliers/Contractors under Government financed contracts, observe the highest standard of ethics during the procurement and execution of such contracts, and will avoid to engage in any corrupt and fraudulent practices.

<b><u>F. Payments to the Cloud Service Provider</u></b>	
<b>32. Lump-Sum Remuneration</b>	32.1. The Cloud Service Provider's remuneration shall not exceed the Contract Price and shall be a fixed lump-sum including all Subcontractors' costs, and all other costs incurred by the Cloud Service Provider in carrying out the Services. Except as provided in GCC 33, the Contract Price may only be increased above the amounts if the Parties have agreed to additional payments in accordance with GCC 34.
<b>33. Contract Price</b>	<p>33.1. The price payable in local currency is set forth in the SCC.</p> <p>33.2. The price payable in foreign currency (if any) is set forth in the SCC.</p>
<b>34. Payment for Additional Services, and Performance Incentive Compensation</b>	<p>34.1. For the purpose of determining the remuneration due for additional Services as may be mutually agreed.</p> <p>34.2. If the SCC so specify, the Cloud service provider shall be paid performance incentive compensation if specified in the SCC.</p>

<b>35. Terms and Conditions of Payment</b>	<p>35.1. Payments will be made to the Cloud Service Provider according to the payment schedule stated in the SCC.</p> <p>35.2. Unless otherwise stated in the SCC, the advance payment shall be made against the provision by the Cloud Service Provider of a bank guarantee for the same amount, and shall be valid for the period stated in the SCC. Any other payment shall be made after the conditions listed in the SCC for such payment have been met, and the Cloud Service Provider have submitted an invoice to the Procuring Agency specifying the amount due.</p>
<b>36. Interest on Delayed Payments</b>	<p>36.1. If the Procuring Agency has delayed payments beyond fifteen (15) days after the due date stated in the SCC, interest shall be paid to the Cloud Service Provider for each day of delay at the rate stated in the SCC.</p>
<b>37. Price Adjustment</b>	<p>37.1. Prices shall be adjusted for fluctuations in the cost of inputs only if provided for in the SCC. If so provided, the amounts certified in each payment certificate, after deducting for Advance Payment, shall be adjusted by applying the respective price adjustment factor to the payment amounts due in each currency.</p> <p>37.2. If the value of the index is changed after it has been used in a calculation, the calculation shall be corrected and an adjustment made in the next payment certificate. The index value shall be deemed to take account of all changes in cost due to fluctuations in costs.</p>
<b>38. Currency of Payment</b>	<p>38.1. Any payment under this Contract shall be made in the currency or currencies as specified in the SCC.</p>
<b><u>G. Quality Control</u></b>	
<b>39. Identifying Defects</b>	<p>39.1. The principle and modalities of Inspection of the Services by the Procuring Agency shall be as indicated in the SCC. The Procuring Agency shall check the Cloud Service Provider's performance and notify him of any Defects that are found. Such checking shall not affect the Service Provider's responsibilities. The Procuring Agency may instruct the Cloud Service Provider to search for a Defect and to uncover and test any service that the Procuring Agency considers may have a Defect. Defect Liability Period is as</p>
	<p>defined in the SCC. Guidance related to the defects may be taken from the list published by the Cloud Office</p>
<b>40. Correction of Defects, and Lack of Performance Penalty</b>	<p>40.1. The Procuring Agency shall give notice to the Cloud Service Provider of any Defects before the end of the Contract. The Defects liability period shall be extended for as long as Defects remain to be corrected.</p> <p>40.2. Every time notice a Defect is given, the Cloud Service Provider shall correct the notified Defect within the length of time specified by the Procuring Agency's notice.</p> <p>40.3. If the Cloud Service Provider has not corrected a Defect within the time specified in the Procuring Agency's notice, the Procuring Agency will assess the cost of having the Defect corrected, the Cloud Service Provider will pay this amount, and a Penalty for Lack of Performance.</p>
<b><u>H. Settlement of Disputes</u></b>	
<b>41. Amicable Settlement</b>	<p>41.1. The Parties shall use their best efforts to settle amicably all disputes arising out of or in connection with this Contract or its interpretation.</p>

<b>42. Dispute Settlement</b>	<p>42.1. If any dispute arises between the Procuring Agency and the Cloud Service Provider in connection with, or arising out of, the Contract or the provision of the Services, whether during carrying out the Services or after their completion, the matter shall be referred to the Adjudicator within 14 days of the notification of disagreement of one party to the other.</p> <p>42.2. The Adjudicator shall give a decision in writing within 28 days of receipt of a notification of a dispute.</p> <p>42.3. The Adjudicator shall be paid by the hour at the rate specified in the PDS and SCC, together with reimbursable expenses of the types specified in the SCC, and the cost shall be divided equally between the Procuring Agency and the Cloud Service Provider, whatever decision is reached by the Adjudicator. Either party may refer a decision of the Adjudicator to an Arbitrator within 28 days of the Adjudicator's written decision. If neither party refers the dispute to arbitration within the above 28 days, the Adjudicator's decision will be final and binding.</p> <p>42.4. The arbitration shall be conducted in accordance with the arbitration procedure published by the institution named and in the place shown in the SCC.</p> <p>42.5. Should the Adjudicator resign or die, or should the Procuring Agency and the Cloud Service Provider agree that the Adjudicator is not functioning in accordance with the provisions of the Contract, a new Adjudicator will be jointly appointed by the Procuring Agency and the Cloud Service Provider. In case of disagreement between the Procuring Agency and the Cloud Service Provider, within 30 days, the Adjudicator shall be designated by the Appointing Authority designated in the SCC at the request of either party, within 14 days of receipt of such request.</p>
