5. For any query related to this tender notice, please feel free to contact the undersigned.

DIRECTOR (OPERATIONS)
Central Directorate of National Savings
Ph: 051-9215753
23-N, Savings House, CDNS, Civic Centre, G-6 Markaz, Islamabad

1 Description of Work

The Central Directorate of National Savings (CDNS), intends (Technical and Financial) bids through EPADS (PPRA) from firm/company/JV having offices in major cities of Pakistan, registered with tax department and are on Active Taxpayer List ("ATL") & registered with Pakistan Engineering Council and having their own well established offices/workshops and supervisory structure for onsite maintenance, support, trouble shooting and labour etc. including provisioning and onsite change of lubricants & filters of Diesel Generators 10 kVA (Qty-344), 50 kVA (Qty-02) and 100 kVA (Qty-01) (Mostly Perkins) (Total-347) installed at different sites of CDNS across Pakistan for the period of initially three years (further extendable for two years on yearly basis) (List attached).

Timelines

1.1 Bids submission deadline : 24-09-2024 11:00 AM

1.2 Opening of Technical Bids : 24-09-2024 11:30 AM

3. Scope of Work

The instant tender is for onsite maintenance of Diesel Generators (Mostly Perkins) including onsite provisioning and change of lubricants & filters of Diesel Gensets mentioned at Clause – 4 of this RFP and are installed at National Savings Centers/Sites of Central Directorate of National Savings across Pakistan. For both jobs i.e maintenance of Gensets and onsite provisioning and change of filters & lubricants. For compatibility and performance, OEM recommended consumables is required as a turnkey based solution by procuring agency. The selected vendor has to provide three (03) years (further extendable for two years on yearly basis) onsite comprehensive maintenance, service, support, replacement of faulty/bad equipment/item/part with good one as early as possible, identification and removal of defects from the Genset/ATS, provisioning/replacement of faulty/dead battery/cable with new one shall be the responsibility of the successful bidder/JV partner. Further, in case a Genset is to be shifted from the NSC/Site to the bidder's workshop for any service/repair/maintenance, then it will be the responsibility of the bidder to provide Genset with minimum capacity of 05 kVA at site to keep the site operational.

4. Items

S.No.	Item Descript	QTY
1	Diesel Generators (10 kVA)	344
2	Diesel Generators (50 kVA)	02
3	Diesel Generators (100 kVA)	01
Total		347

Important Note:

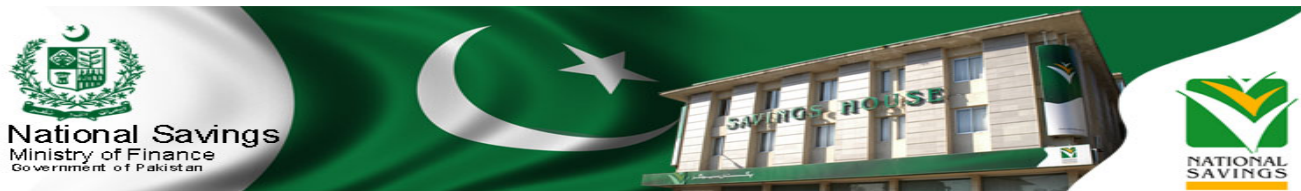

- a. The procuring agency reserves the right to increase or decrease the quantity of items for which the bidders will have no objection.
- b. The Procuring Agency reserves the right to accept or reject any or part of bid or all bids prior to acceptance of bid or proposal for which the reason may be conveyed if desired.
- c. The inspection of Workshops may be carried out by the Procuring Agency, if desired.
- d. Poor compliance of any requirements and guidance mentioned in this RFP may affect the ranking / marking of Technical Evaluation of bid, therefore it is advised to prepare Technical bids very carefully otherwise no claim for poor marking shall be entertained.
- e. Any un-due attempt or unfair mean directly or indirectly to influence the procuring agency by any bidder(s) may lead to its disqualification from the bidding process
- f. **No any document will be accepted after bids submission deadline.** However, Procuring Agency reserves the right to ask for any clarification / document, if deemed necessary.

5. Implementation & Payment Schedule

- 5.1 Issuance of work order to successful bidder(s) as per PPRA Rules.
- 5.2 Signing of Agreement/contract within **15 days** after the acknowledgement of work order.
- 5.3 Submission of un-conditional and irrevocable Performance Bank Guarantee ("PBG") equal to **5% (five percent)** of total contract price of maintenance of Diesel Generators (for the contract price of agreement to be signed with the Procuring Agency) valid for three (03) years and submit another PBG equal to the sum of Rs.1,000,000/- (Rupees one million only) for onsite provisioning and change of lubricants and filters, valid for three (03) years in favour of CDNS. The ("PBG") shall be submitted on or before raising invoices. The ("PBG") may be released by the Procuring Agency after successful completion of maintenance/ provisioning and change of lubricants contract period. However the Procuring Agency reserves the right to forfeit ("PBG") on poor Performance of the Vendor besides taking necessary actions under the law.
- 5.4 Payment shall be made on monthly/quarterly basis from CDNS against the maintenance of Genset upon submission of invoices along with necessary documents. Further, the payments for provisioning and onsite changing of lubricants and filters shall be made upon successful completion of job as per approved rates. The quantity of lubricants (in liters) and filters changed by vendor during the month(s) shall be verified from representative/ officer incharge of concern NSC/Site and same shall be submitted to CDNS alongwith invoices for payment. Furthermore, detail of payment shall be finalized in agreement.

6. Format for Technical Proposals

The technical proposal should be comprehensively prepared, structured and presented in the **form of chapters** to include, but not necessarily be limited to, the following information. Support material should not be part of the main proposal but should be placed in annexures.

Note: During the technical evaluation a bidder or all bidders may be called for detailed technical presentation/clarification, if desired by the procuring agency for which all costs and risks shall be borne by the bidder.

6.1 General

The bidders should provide the following.

- i. Name of the participating firm/company or participating organizations (if more than one) in the responding JV/consortium (along with proof of JV/ consortium etc.), including their scope of involvement and proper authorization to **lead bidder** for carrying out all transactions/commitments etc. on the behalf of JV/ consortium partner
- ii. Number of years of incorporation of the participating firm/company/JV or participating organizations (if more than one).
- iii. **Value, Size and Nature** of Contracts in hand and Contracts completed, in tabular form as mentioned in article 6.3
- iv. 100% compliance of this RFP/ Tender Notice.

LATE BIDS: - Any bid received, after the deadline for submission of bids, will be rejected and/or returned unopened to the Bidder/its postal address whichever the case may be.

6.2 Financial Capabilities

The bidder(s) shall describe the financial position/ strength/ soundness of its company/bidder/JV. **Business Statement** for last 3 years should be included in the **Technical proposal**. Additionally, the bidder shall provide information (including **financial value of projects**) on any major projects that have been awarded to them or their business partners, where it is felt that this would be beneficial in supporting their response to this RFP. The **National Tax Numbers and Sales Tax Registration Numbers** of the company/bidder should also be indicated (**Photo copies of concerned documents should be attached with technical proposal**).

6.3 Relevant Experience

Bidder should mention its experience of doing business for example working with Banks/ Financial Institutions /Government / Semi Government / Autonomous/Private Sector or Financial Sector Organization etc.;. Bidder should provide the details of experience in similar contracts (if any). Photocopies of proofs of such work may also be attached with proper referencing of Page Numbers in technical bid.

Sr. No.	Brief of Project Nature	Value of Project	Size of Project (e.g. No. of quoted items etc.)	Support Provided to Client for quoted items (years)	Name of the Client with Contact person & Contact Details
1					
2					

*** Add further rows for more Projects**

6.4 Human Resource

Bidder must have adequate relevant technical persons **on their pay role**, working for bidder at least since one year. List of personnel who are working with bidder, their names and roles should be provided.

6.5 Deliverables

Besides the agreement including support plan for SLA period etc.; Performance Bank Guarantee. Provisioning of any accessory or device(s) required for the implementation of SLA of operational Gensets shall be the responsibility of successful bidder for which no extra payment shall be made.

6.6 Support Capabilities.

The bidder should indicate the support capabilities, abilities and technical strength to be provided during SLA period. Strength of support personnel designated for the project must be indicated. Support Plan including mechanism, methodology for provisioning of instant support besides comprehensive plan for Preventive Corrective Maintenance (“PCM”) plan/ schedule should be explain separately. The selected vendor has to provide three (03) years onsite comprehensive maintenance service, support, replacement of faulty/bad equipment/item/device with good one as early as possible, identification and removal of defects from the Genset/ATS, provisioning/replacement of faulty/dead battery/cable with new one shall be the responsibility of the successful bidder. Further, in case a Genset is to be shifted from the NSC to the bidder’s workshop for any service/repair/maintenance, then it will be the responsibility of the bidder to provide Genset with minimum capacity of 05 kVA at site to keep the site operational. The detailed support plan should also include the following information other than mentioned above:

Support Plan:

Replaceable/ Receivable	Response time (in days) and Genset will be operational
Replacement/ Backup of faulty Genset/part of Genset/ battery/ATS penal	Same day (24 hours)

The chapter on Support plan should cover following categories in detail:

- 6.6.1 Comprehensive Support plan replacement of faulty parts including replacement of faulty equipment / services during SLA period, if Genset become out of order and seems un repairable at the site, the selected vendor have to arrange a backup of atleast 05 kVA Genset for power backup at site (free of cost). And onsite provisioning & change of lubricants and filters of Diesel Generators.
- 6.6.2 Support & Maintenance including Issue handling methodology as mentioned above.

- 6.6.3 Technical Support location (Workshop Locations, Addresses, Contacts etc.)
- 6.6.4 Technology Driven complaint logging and support/call center plan/methodology.
- 6.6.5 Preventive & Corrective Maintenance ("PCM") and Services
 - i. This activity shall be carried out at least once in every quarter or on need basis in addition to normal maintenance required as per norms & guidelines of Manufacturer.
 - ii. Conduct preventive/ periodic maintenance (including inspection, testing, satisfactory execution of all diagnostics and necessary repairing of the equipment/ATS)
 - iii. Cleaning and removal of dust and dirt from the interior and exterior of the equipment
 - iv. Trouble shooting of hardware problem of all Gensets and rectification of same

7. General Terms & Conditions

7.1 Bid Security

A bid security is required and acceptable in the shape of a Bank Draft/Pay Order/Demand Draft /CDR/Cashier Cheque/Banker's Cheque only, issued from any scheduled bank operating in Pakistan, of PKR 700,000/- (rupees seven hundred thousand only), in the favour of CDNS, Islamabad must be submitted to CDNS in original on technical bid opening date and time, without which the proposal shall not be entertained/accepted and be rejected straight away. If a bidder withdraws its bid during the procurement process or a successful vendor fails to acknowledge the letter of acceptance/signing of agreement etc.; in such scenarios the Procuring Agency reserves the right to forfeit the Bid Security besides taking other necessary actions under the law of the Land. Further the Procuring Agency may ask the second most advantageous bidder for award of contract and so on (as per its convenience) if lowest one fails to comply. The bid security of un-successful bidder(s) may be released after contract signing with successful bidder. The bid security of successful bidder may be released after signing of the agreement and provision of the Performance Bank Guarantee.

7.2 Validity of proposal

All proposal and price shall remain valid for a period of at least **180 days** from the closing date of the submission of the proposal/bids.

7.3 Performance Bank Guarantee ("PBG")

The successful vendor shall be required to submit an un-conditional and irrevocable ("PBG"), a sum equivalent to **5% (five percent)** of the total contract value for maintenance of Diesel Generators (for the contract price of agreement to be signed with CDNS) valid for three (03) years and another PBG for a sum of **Rs.1,000,000/-** (Rupees One Million only) for onsite provisioning and change of lubricants, valid for three years in the favour of CDNS. The ("PBG") may be released by the Procuring Agency after successful completion of contract period. The ("PBG") shall be submitted on or before raising invoices. This ("PBG")

shall be issued by any scheduled bank operating in Pakistan and the value for the outstanding deliverables of the contract will remain valid until the final and formal termination of Contract by Procuring Agency. The Procuring Agency may forfeit the ("PBG") if the bidder`s performance found to be poor or bidder breaches any of its obligations under the contract agreement or published RFP besides considerations for black listing the selected vendor/ company or any other action taken under the law or all or waive off all or partially based on sound justification that may be beyond its normal control, provided by the vendor and up to the satisfaction of procuring agency but the decision in this regard would be at sole discretion of the procuring agency and in no way, the vendor may consider it as its Right.

7.4 Currency

All currency in the proposal shall be quoted in Pak Rupees (PKR) only otherwise bid(s) would be rejected.

7.5 Withholding Tax, Sales Tax and other Taxes/Levies/ Duties

The bidder is hereby informed that the Government shall deduct tax/duties at the rate prescribed under the tax laws of Pakistan, from all payments for services rendered by any bidder who signs the contract with the Government. The bidder will be responsible for payment of all taxes/duties on transactions and/or income, which may be levied by government from time to time.

7.6 Relationship with OEM and Registration with Pakistan Engineering Council (PEC)

The company/ firm/JV shall be direct or indirect partner/assembler/coupler/re-seller/distributor/ dealer/supplier/service provider of OEM (Perkins). The bidding firm/ company must be register with Pakistan Engineering Council at-least in C-4 category or higher (**registration must be up to date**).

7.7 Service Level Agreement (SLA)

The successful firm/ company shall sign Service Level Agreement (SLA) with the CDNS providing the onsite comprehensive maintenance, service, suport, replacement of faulty/bad equipment/item/device with good one as early as possible, identification and removal of defects from the Genset/ATS, provisioning/replacement of faulty/dead battery/cable with new one shall be the responsibility of the successful bidder. Further, in case a Genset is to be shifted from the NSC/Site to the bidder`s workshop for any service/repair/maintenance, then it will be the responsibility of the bidder to provide Genset with minimum capacity of 05 kVA at site to keep the site operational during the period of 03 years starting from the date of signing of maintenance contract. The agreement shall comprise the following minimum conditions:

- a. Ensure post implementation instant support of the Genset/ATS.
- b. On-site quarterly preventative maintenance of the Genset covered under the SLA as per Manufacturer guidelines.
- c. The preventative correctiveness maintenance (PCM) shall must cover at least inspection, testing, satisfactory execution of all diagonistics tests, necessary repair of the Genset/ATS, cleaning and removal of dust and dirt from the interior and exterior of the Genset, troubleshooting and rectification of the equipment at least once in a quarter.

- d. The successful bidder shall observe and adhere to all safety measures and precautions during the execution of SLA period in all respect so as to avoid any loss, harm, or damage or injury, human life and property. In case of non-observance of safety measures the successful bidder shall be solely responsible for any loss, harm or damage caused to Government assets and human life and is liable to compensate the same as per the satisfaction of procuring agency. If any kind of damage occurred at any stage of the execution of SLA period, the damages shall be borne by the successful bidder, the procuring agency shall not entertain any claim in this respect. Further successful bidder shall ensure and is responsible for protecting the assets, documents and precious material of site/NSC.
- e. The bidder must ensure in writing for three (3) years onsite comprehensive replacement warranty of parts (including batteries)/ ATS/ electrification/cables, services (repair & maintenance) and labour etc. The replacement of batteries would be the responsibility of successful vendor for which all costs shall be borne by the vendor. And onsite provisioning & change of lubricants and filters of Diesel Generators.

7.8 Contracting (Signing of Agreement)

The selected vendor will submit Contract, for which draft may be obtained from procuring agency, and be signed on a stamp paper of Rs. 5000/- within **fifteen (15) days** of issuance of Work Order.

7.9 Governing Law

This RFP and any contract executed pursuant to this tender shall be governed by and construed in accordance with the laws of Islamic Republic of Pakistan. The Government of Pakistan and all bidders responding to this RFP and parties to any contract executed pursuant to this RFP shall submit to the exclusive jurisdiction to Honourable Courts at **Islamabad**.

7.10 Acceptance Criteria

As per PPRA Rule 36(b) - Single Stage-Two envelope procedure, the proposals will be evaluated technically first. The Technical and Financial Proposals shall be allocated 70 and 30 marks respectively. In Evaluation of Technical Bids 42 out of 70 marks are the qualifying marks. Financial bids of only qualified bidders will be opened. The distribution of 100 marks and formulae of financial bids evaluations will be as follows.

Technical Proposal (T)	=	70 Marks. (42 are qualifying marks)
Financial Proposal (F)	=	30 Marks.
Total (T+F)	=	100 Marks.

The technical proposals/bids securing 42 marks i.e. 60% of total marks (70) allocated for Technical Proposals or more in the technical evaluation will qualify for the next stage, i.e. financial bid opening. The bidder whose quoted prices are lowest will get the maximum marks (i.e. 30 marks) in financial evaluation using formulae given below:

(A) Bid Ratio = (a) Lowest quoted price / (b) Quoted price for which financial marks are required

[For lowest it would be 1]

(B) Bid Ratio x 30 = Financial marks of (b)

The cumulative effect of both Technical and Financial marks shall determine the position of the bidders.

The contract may be awarded to the bidder(s) whose bid is approved on the basis of evaluated to be **"Most Advantageous Bid"** as per PPRA Rules.

Note: - The proposal from any firm which is blacklisted from any government entity will not be considered.

7.11 Penalty

In case of delay in support/service/maintenance of Genset/ATS, the Procuring Agency reserves the right to impose penalty of amounting to Rs. 1,000/- (Rupees one thousand only) after 24 hours (time shall be start from complaint lodging) per day and amounting to Rs. 2,000/- (Rupees two thousand only) after 48 hours (time shall be start from complaint lodging) per day. The procuring agency reserves the rights to relax the penalty clause in case of satisfactory written justification/ evidence provided by vendor for delay.

7.12 Responsiveness Test/Initial Screening

Prior to the Technical Evaluation of the Technical Bids, All the Technical Bids shall be examined for the responsiveness Test/ Initial Screening on the basis of following parameters which are pre-requisites and be considered as must meet requirements; non-compliance of any of following clause shall disqualify the bidder(s) straight away.

All bidders are required to submit compliance sheet/page containing the Reference Page # in Technical Bid of proof.(to be filled in by the bidder on their letter head)

No.	Description	Yes/No	Proof attached at page No. or Flag of Bid
7.12.1	Bidder/ JV partner have been in quoted business (i.e Supply/SLA of Gensets) for at least five years (Please submit work order)		
7.12.2	Bidder /JV partner (incase of JV, both) must be registered with Taxation department and are on Active Tax Payer List for NTN/STRN.		
7.12.3	Bidder /JV partner (incase of JV, both) must submit affidavit on stamp paper (latest) of Rs. 100/- signed by bidder & JV Partner and duly attested by Notary Public/Oath Commissioner, describing that bidder(s) is/are not black listed from any government department and no suit is pending against them		
7.12.4	Bid security as an earnest money (Rs. 700,000/) of required shape and original submitted to CDNS on bid opening date		

7.12.5	Bidder /JV partner must be registered with PEC at least C-4 Category or higher (registration must be up to date)		
7.12.6	The undertaking is required on bidder/JV partner's letter head dully signed and stamped by authorized person stating that " We must provide replacement/ backup of faulty Genset/part of Genset/ battery/ATS penal /cables etc within 24 hours (same day) and placement of backup Genset at site or otherwise penalty clause 7.11 shall be imposed" Date, Name of authorized person, designation, signature, CNIC number and stamp of bidding firm (attached)		

Note: After closing date and time no bid will be entertained and will be returned Un-opened.

Note: Non-compliance of any clause/article of this RFP, concealment or misleading of any facts may lead to disqualify the bidder(s).

The detailed Technical Evaluation will be conducted for only those bidders whose bids are found to be responsive in Responsiveness Test/Initial Screening

The detail technical evaluation will include all requirements mentioned in Proforma for Technical Evaluation Criteria under Clause-9.

Any attempt directly or indirectly to influence the working of committee or using any unfair means by the participating bidder(s)/ firm(s) may lead to dis-qualification from bidding process.

8. INSTRUCTIONS FOR BIDDERS

8.1 Communication

For any clarification to this RFP may be sought from:

Director (Operations)

Central Directorate of National Savings (CDNS),
Ministry Of Finance.

GOVERNMENT OF PAKISTAN

23-N, Savings House, G-6 Civic center, Islamabad.
Direct: 051-921-5753, Fax: +92-51-9215761-62

8.2 Submission of Proposal

Bidder must submit their proposal electronically within due date and time Late submission of the Proposals shall not be entertained.

8.3 Mode of Delivery of Bids and Address

Proposals shall be delivered by electronically through PPRA EPADS system.

8.4 Disclosure/ Integrity Pact

Service Provider hereby declares that it has not obtained or induced the procurement of any contract, right, interest, privilege or other obligation or benefit from Government of Pakistan (GoP) or any

administrative subdivision or agency thereof or any other entity owned or controlled by it (GoP) through any corrupt business practice.

Without limiting the generality of the foregoing the supplier represents and warrants that it has fully declared the brokerage, commission, fee etc. paid or payable to anyone and not given or agreed to give and shall not give or agree to give to anyone within or outside Pakistan either directly or indirectly through any natural or juridical person, including its affiliate, agent, associate, broker, consultant, director, promoter, shareholder, sponsor or subsidiary, any commission, gratification, bribe, finder's fee or kickback, whether described as consultations fee or otherwise, with the object of obtaining or inducing the procurement of a contract, right, interest, privilege or other obligation or benefit in whatsoever form from GoP, except that which has been expressly declared pursuant hereto.

By signing this agreement, the supplier certifies that it has made and will make full disclosure of all agreements and arrangements with all persons in respect of or related to the transaction with GoP and has not taken any action or will not take any action to circumvent the above declaration, representative or warranty.

By signing this agreement, the Supplier accepts full responsibility and strict liability for making and false declaration, not making full disclosure, misrepresenting fact or taking any action likely to defeat the purpose of this declaration, representation and warranty. It agrees that any contract, right interest, privilege or other obligation or benefit obtained or procured as aforesaid shall, without prejudice to any other right and remedies available to GoP under any law, contract or other instrument, be voidable at the option of GoP.

Notwithstanding any rights and remedies exercised by GoP in this regard, supplier agrees to indemnify GoP for any loss or damage incurred by it on account of its corrupt business practices and further pay compensation to GoP in an amount equivalent to ten times the sum of any commission, gratification, bribe, finder's fee or kickback given by supplier as aforesaid for the purpose of obtaining or inducing the procurement of any contract, right, interest, privilege or other obligation or benefit in whatsoever form GoP.

8.5 Force Majeure

A "Force Majeure Event" shall mean act of God or any event or circumstance or combination of events or circumstances that are beyond the control of a Party and that on or after the date of signing of this Agreement, materially and adversely affects the performance by that Party of its obligations or the enjoyment by that Party of its rights under or pursuant to this Agreement; provided, however, that any such event or circumstance or combination of events or circumstances shall not constitute a "Force Majeure Event" within the meaning of this Section to the extent that such material and adverse effect could have been prevented, overcome, or remedied in whole or in part by the affected Party through the exercise of due diligence and reasonable care, it being understood and agreed that reasonable care includes acts and activities to protect the Sites and the Facilities, as the case may be, from a casualty or other reasonably foreseeable event, which acts or activities are reasonable in light of the likelihood of such event, the probable effect of such event if it should occur and the likely efficacy of the protection measures. "Force Majeure Events" hereunder shall include each of the following events and circumstances that occur inside or directly involve Pakistan, but only to the extent that each satisfies the above requirements:

- i. any act of war (whether declared or undeclared), invasion, armed conflict or act of foreign enemy, blockade, embargo, revolution, riot, insurrection, civil commotion, act or campaign of terrorism, or sabotage;
- ii. strikes, works to rule or go-slows that extend beyond the Sites, are widespread or nationwide;
- iii. Change in Laws of Pakistan;

- iv. Other events beyond the reasonable control of the affected Party, including, but not limited to, uncontrollable events, namely, lightning, earthquake, tsunami, flood, storm, cyclone, typhoon, or tornado, epidemic or plague, radioactive contamination or ionizing radiation;

8.6 Grievance Redressal

Any bidder feeling aggrieved by any act of the Procuring Agency after the submission of his bid may lodge a written complaint concerning his grievances not later than fifteen (15) days after the announcement of the bid evaluation report to the Grievance Redressal Committee of Procuring Agency. The Committee for the purpose is already notified at PPRA Website.

8.7 Amicable Settlement

8.7.1 Any dispute, controversy or claim arising out of or relating to this Contract, or the breach, termination or invalidity thereof, shall be resolved through negotiation in an amicable and friendly manner between the parties. The Parties shall seek to resolve any dispute amicably by mutual consultation and discussion at the appropriate level of Parties or through the committee constituted, representing members from both sides, whichever is suitable to reach the amicable solution of dispute.

8.7.2 If either Party objects to any action or inaction of the other Party, the objecting Party may file a written Notice of Dispute to the other Party providing in detail the basis of the dispute. The Party receiving the Notice of Dispute will consider it and respond in writing within thirty (30) days after receipt. If that Party fails to respond within thirty (30) days, or the dispute cannot be amicably settled within thirty (30) days following the response of that Party, Following shall apply.

Disputes shall be settled by arbitration in accordance with the following provisions:

1. Failing amicable settlement, the dispute, differences or claims, as the case may be, shall be finally settled by binding arbitration in accordance with the provisions of the Arbitration Act 1940 of Pakistan.
2. The arbitration shall be conducted at Islamabad, Pakistan before an arbitration panel comprising three (3) members, one to be nominated by each Party and the third nominated by the first two nominees (collectively, "arbitration panel").
3. The fees and expenses of the arbitrators and all other expenses of the arbitration shall initially be borne and paid equally by both the Parties, subject to determination by the arbitration panel. The arbitration panel may provide in the arbitral award for the reimbursement to the prevailing party of its costs and expenses in bringing or defending the arbitration claim, including legal fees and expenses incurred by such Party.
4. Any decision or award resulting from the arbitration shall be final and binding upon the Parties. The Parties agree that the arbitral award may be enforced against the Parties to the arbitration proceedings or their assets, wherever they may be found, and that a judgment upon the arbitral award may be entered in Honorable Courts having jurisdiction at Islamabad only.
5. Pending the submission of and/or decision on a dispute, difference or claim or until the arbitral award is published the Parties shall continue to perform all of their obligations under the Contract.
