3	<b>Project Implementation/ Management Plan</b>	15
4	<b>Overall Proposal Presentation</b> in terms of: Conciseness Clarity, Completeness	10
<b>Total Marks</b>		<b>80</b>

**Note:** 70% Marks in Technical Evaluation will be required to qualify for Technical Evaluation.

### Technical Evaluation

- 15.2. After analysing the tenders deemed to comply in administrative terms, the evaluation committee will rule on the technical admissibility of each tender, classifying it as technically compliant or non-compliant.
- 15.3. In the interest of transparency and equal treatment and to facilitate the examination and evaluation of tenders, the evaluation committee may ask each tenderer individually for clarification of its tender including breakdowns of prices, within a reasonable time limit to be fixed by the evaluation committee. The request for clarification and the response must be in writing, but no change in the price or substance of the tender may be sought, offered or permitted except as required to confirm the correction of arithmetical errors discovered during the evaluation of

tenders. Any such request for clarification must not distort competition. Decisions to the effect that a tender is not technically compliant must be duly justified in the evaluation minutes.

#### 15.4. Financial Evaluation

##### Financial Evaluation – Scoring Criteria

Financial bids of only those bidders who Score at least 70% on the technical evaluation would be opened before the representatives who wish to attend the tender opening.

The Financial Evaluation scores for each bidder will be calculated as follows:

Price/ total amount quoted by lowest bidder =	A
Price/ total amount quoted by second lowest bidder =	B
Price/ total amount quoted by third lowest bidder =	C
Financial score of the lowest bidder will be	100
Financial score of the second lowest bidder will be =	$(A/B) * 100$
Financial score of the third lowest bidder will be =	$(A/C) * 100$

##### Final Evaluation - Aggregate Scoring

In the final evaluation, the technical bids will carry a weightage of 80 percent while the financial bids will have a weightage of 20 percent.

The Procurement Committee would make the decision for recommendation of the successful bidder according to the final score obtained by each compliant bidder as per the following formula:

$$\text{Final Score} = \text{Technical Score Obtained} \times 0.8 + \text{Financial Score Obtained} \times 0.2$$

The Bidder obtaining maximum Final Score will be ranked as number 1 and subsequent bidders ranked accordingly. The decision of the Committee will be binding on all concerned and will in no case be changeable in any forum.

The firms securing the highest combined technical & financial score (highest ranked firm) will be awarded the contract.

#### 16. Award of Contract

- 16.1. The successful tenderer will be informed in writing that its tender has been accepted (notification of award).
- 16.2. Before the contracting authority issues Purchase Order/ Work order to successful tenderer, the successful tenderer must provide the documentary proof (original copies) including company's incorporation certificate, NTN, STRN, experience certificates, financial accounts, bank statements or any other document needed by the evaluation committee according to the selection criteria.
